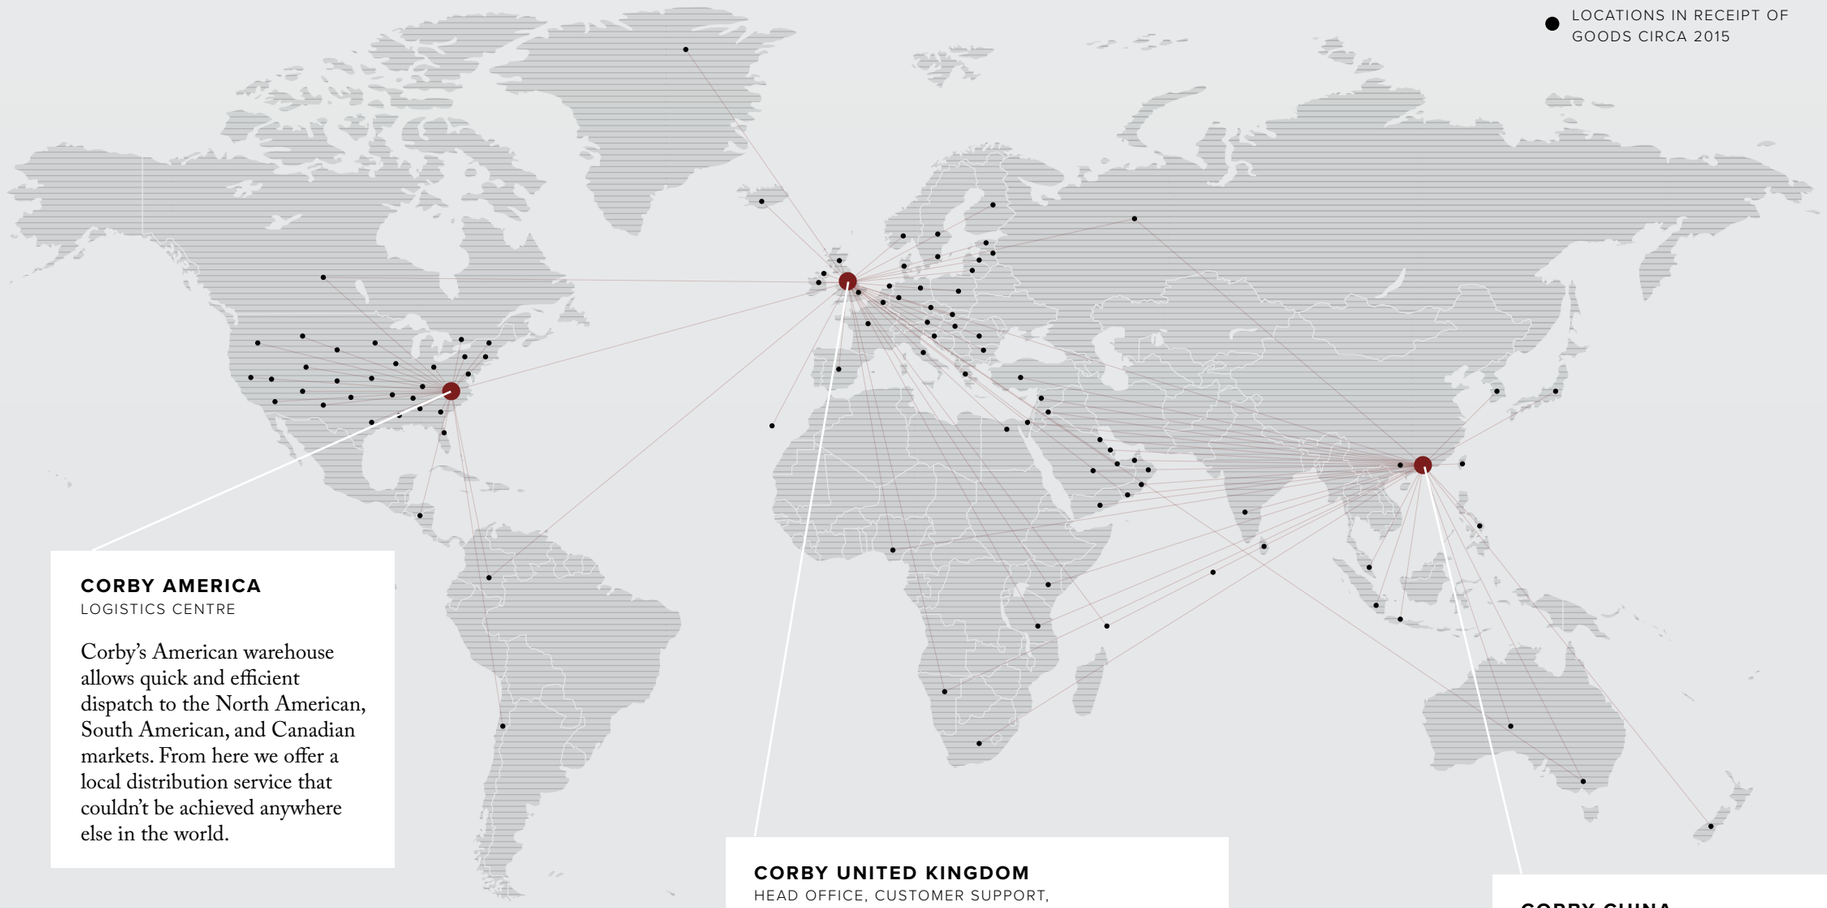
64 Countries, 6 Continents, 1 Unique Service

OUR GLOBAL SUPPLY CHAIN

Servicing the world's finest hotels across the globe has given Corby of Windsor the singular capacity to anticipate our client's exact needs. With an in-depth understanding of the intricacies product logistics, every aspect of our advice – from assessment to delivery – is tailored just for you.

DISTRIBUTORS AND RESELLERS
BEYOND THE NORMAL SERVICE

Corby works hand-in-hand with selected agents and distributors in your region to deliver a more personalised service. To find out who your local distributor is please contact our team.



CORBY AMERICA
LOGISTICS CENTRE

Corby's American warehouse allows quick and efficient dispatch to the North American, South American, and Canadian markets. From here we offer a local distribution service that couldn't be achieved anywhere else in the world.

CORBY UNITED KINGDOM
HEAD OFFICE, CUSTOMER SUPPORT, MANUFACTURING & WAREHOUSING

As a UK company, Corby of Windsor's head office is based in Huddersfield, Yorkshire. From here, we produce every one of the world-famous Corby trouser press range. All sales and support teams are located in-house alongside their counterparts in design, engineering & marketing putting an unparalleled focus on communication & quality.

CORBY CHINA
MANUFACTURING, WAREHOUSING AND LOGISTICS CENTRE

Employing over 300 staff, Corby China is our primary manufacturing site. From here, products are shipped to our warehouses, distributors and even direct to the customer.

AT YOUR SERVICE.

Here at Corby of Windsor, we provide a flexible way for our clients to manage their orders whilst maintaining a personal touch with maximum transparency.

EXPRESS STOCK HOLDING
When a replacement is required, our experts understand the importance of receiving a new item quickly. That's why we carry stock of popular lines across all three of our logistics centres.

On single items and small batches we aim to dispatch on the same day if ordered before 12:00 GMT. For large orders, our experts will work with you to build a freight quotation tailored specifically to your needs, keeping you informed at every stage of the process.

LIVE STOCK UPDATES
In the hospitality industry, things often move quickly. To meet the exacting standards of our customers, we continually invest in cutting edge order management systems. This allows us to publish up to date stock levels on our website with up to the minute accuracy; as soon as an order is placed, the item is allocated and the system updated, ensuring total precision 24/7.

INCOTERMS TO SUIT YOU
We understand that not every quote is the same. That's why our experts are on hand to offer tailored advice on which incoterms are right for you and your business.

LOGISTICS SUPPORT
As specialists in providing quality delivery services, we liaise directly with the forwarder to ensure proper documentation is in place prior to dispatch. On request, we can supply extensive Shipping Documentation and Proof of Certification to ensure the transition across borders is as smooth as possible.

CONFLICT RESOLUTION
With a reputation for meeting the needs of even the most challenging requests, our team are proficient in identifying and resolving potential problems before goods are dispatched. In the event that there are unforeseen delays with your order, our experts will work directly with forwarders to resolve the issue within the limits of the agreed incoterms.

Should you require any more information please contact our expert team:

WE HAVE

1

GOAL

Our Promise to You
To demand and deliver exceptional value, both in product and service, for all our customers great and small.

CORBY
Of WINDSOR

The Corby Team

Building relationships is central to providing quality service in hospitality. With a deep understanding of the needs of top hotels, Corby's expert team specialises in supporting the world you move in.

As a leading manufacturing brand in the hotel and hospitality industry, our success depends on the quality of our work, attitude, expertise, innovation and how we treat people. Our team upholds the following principles;

Commitment – Our brand represents our reputation. We are devoted to maintaining the supply of world-class products and services to our customers worldwide. We strive to build sustainable partnerships that continue to reflect and strengthen the integrity of the Corby of Windsor name.

Passion – We design, source and manufacture products that are specifically created for the hospitality industry. We rely on our customers to help us find the next opportunity, which keeps every relationship fresh and every new project exciting.

Empathy – We listen hard to understand the needs of our customers. Our customers are our eyes, ears and voice in the market and their needs define our purpose.

Expertise – We know how, where and when we add value for our customers. Our multilingual, multicultural, highly-skilled team are trained in design, production, international trade and global supply chain operations to ensure that we meet and exceed our customer's requirements.

The world's local hospitality brand – We understand the importance and value of building a relationship with our customers, promoting understanding and cohesion between cultures and emphasising a sense of unity worldwide. Our model is created based on our customer's needs; we adapt to suit their local market.

"Unity is strength . . . when there is teamwork and collaboration, wonderful things can be achieved." - Mattie Stepanek

CORBY. A CULTURE OF EXCELLENCE.

PRODUCT - INNOVATION IN OUR DNA

Products bearing the Corby of Windsor seal are designed in-house and rigorously tested to international standards. Our commitment to impeccable design cements our position as a leading supplier of guestroom products for the hospitality industry.

Throughout the development process, our team works closely with international hoteliers and distributors to ensure their specific requirements are met, including any additional safety standards and inbuilt anti-theft measures.

PRODUCTION - QUALITY WITH EVERY STEP

What makes Corby of Windsor so special is the ability to utilise a comprehensive network. By leveraging our wholly-owned Chinese factory, we have complete control of the supply chain, from raw material to finished product.

Through the Corby quality programme, every component is inspected and tested at each stage of the manufacturing process, eliminating defects and in turn maintaining the high standards which we set for ourselves.

PRIDE - A CULTURE OF DISTINCTION

The calibre of Corby of Windsor's international clientele - including leading industry brands such as Hilton, Marriott and Intercontinental – amply demonstrates the impressive reputation established by our brand and is testament to the exemplary merit of both our products and service.

We have one goal – to create the very best products specifically tailored for the hospitality industry. Our diligence guarantees to fulfil the promise of remarkable quality expected of our brand. Our unique relationship with the hotels we service expresses a continual flow of ideas into the market; like our customers, we will settle for nothing less than exceptional.

BUYING FROM US

OUR PROPOSITION

We understand that who you purchase from is just as important as the product. At Corby of Windsor we offer a transparent service where you know exactly what to expect.

WHAT WE DO...

- ...design products for hotel use
- ...manufacture products
- ...hold stock in Asia, Europe, USA
- ...ensure compliance
- ...own our supply chain
- ...offer best value over a products life
- ...provide a 3 year guarantee on electricals
- ...provide UK based ground support

WHAT WE DO NOT DO...

- ...offer domestic/unsuitable goods
- ...gamble on market stock
- ...make promises we cannot keep
- ...gamble on quality/reputation
- ...rely on intermediaries
- ...seek out a quick win
- ...hope it works out
- ...leave you to it
