NOTES FROM THE PRODUCT DEVELOPMENT TEAM

We have now engineered over 60 ironing solutions. In 2012 we innovated the ironing centre by creating a new holster inspired by a 'Do not disturb' door card. The feature rotates 180° to accommodate left & right handed guests. This set the standard high for the rest of the market.

GARMENT STEAMER

Quick crease removal

Perfect for when guests don't have time to iron. The Garment Steam Cleaner comes with, a 270ml removable water tank, compact design, led display, 1500 watt power, fabric brush and a crease attachment.

SHERWOOD 2000W STEAM IRON

Tough on creases, gentle on laundry

Quick releasing shots of steam at 34g/min and a temperature range of 65 – 230°C combat even the toughest of creases. Designed to gently glide over items without causing a mess, thanks to the non-stick stainless steel plate.

Enjoy perfectly ironed results, safely

The motion sensitive auto-off feature cuts heat in 30 seconds if left unattended on the soleplate, and in 8 minutes on heel; saving energy and giving you peace of mind. Anti- theft cord tidy. All designed to hook into a wardrobe.

**OXFORD PREMIUM
IRONING CENTRE**

The premium standard

Help your guests steam through their ironing in premium style. The Oxford premium ironing centre offers 7 height settings, a rotating iron holster and is 1360mm long x 360mm wide, giving your guests optimum space to iron.

BROMLEY HAIR DRYER BAG

DESIGNED TO STYLE HAIR SAFELY

Whether it's getting ready for a big night out, busy day or just taking the time for self-care, we want your guests to have a comfortable and quality experience.
