SAFES COLLECTION

Electricals for the hotel guest room

Hotel Specified

Corby safes are specified in some of the most recognised hotel groups around the world.

SAFE & SOUND

As a supplier to some of the world's finest hotels, Corby of Windsor understands that relaxation and peace of mind are integral to any hotel stay. Our Corby Safes are specifically designed to fit a variety of spaces and are constructed with heavy duty steel doors.

Touch Tone

All Corby safes are digitally controlled with touch tone display panels, making it very convenient for hotel guests to store their valuables.

THE PERFECT FIT

The Corby of Windsor Safes Collection offers a range of sizes and styles that are perfect for the hotel guest room. Our safes are designed and tested for security, functionality and quality to ensure they fit perfectly into various hotel guest room layouts.

Mayfair Digital Open Top Safe

The Mayfair Digital Open Top Safe is perfect for business customers, offering a safe space for laptops up to 15". Its open top design and hydraulic arm operation allows it to be installed in a wardrobe or even in a drawer.

LED Display

Illuminated in red, our LED display panels make it simple when entering pass codes.

PEACE OF MIND

The Corby Safes Collection is designed & engineered to be secure & easy to use around the world. We offer different levels of security to make hoteliers & hotel guests feel at ease that their belongings are safe. All safes are fitted with 18mm electronically motorised locking bolts.

Automatic Locking System

Each safe is fitted with heavy duty motorised locking bolts that can only be opened with a pass code or a unique over-ride key (supplied).

CEU (Computer Emergency Unit)

Our CEU device allows hoteliers to set pass codes, change lighting & digitally record up to 125 pass codes, in the unlikely event of theft.

Braille Control Panel

The Corby Westminster & Mayfair safes both have digital Braille control panels to ensure ease of use for all guests.

EFFORTLESS FUNCTIONALITY

To make life easy, each safe has an 'easy to follow' guide on the control panel. Each front opening safe is fitted with a spring loaded system which automatically opens when unlocked. We also offer safes with digital Braille control panels to help visually impaired users.

Automatic interior light

Operated with AA batteries (Supplied), all Corby safes feature an integrated LED light that automatically turns on when the door is open, making it easier to search for belongings.

CORBY OF WINDSOR SAFES COLLECTION

The Corby of Windsor Safes Collection offers a range of sizes and styles that are perfect for the hotel guest room. Each safe is tested for functionality and quality, designed with precision to fit beautifully into a variety of hotel guest rooms.
